8.

(WITHDRAWAL OF STATE LANDS FROM SALE FOR STATE DIVISION OF BEACHES AND PARKS, APPLICATION NO. 11060 - S.W.O. 6561.)

At the request of the State Division of Beaches and Parks, the Commission on December 5, 1956 authorized withdrawal from public sale, until December 31, 1957, vacant State school land described as Lots 1, 2, 3 and 4, and SW $\frac{1}{4}$  of SW $\frac{1}{4}$  of Section 16, T. 13 S., R. 22 E., S.B.M., containing 163.72 acres in Imperial County, to permit purchase of the land by the State Park Commission. An application for the purchase of said land has been filed by the Division of Beaches and Parks on behalf of the State Park Commission.

The Division of Beaches and Parks, in submitting the request for withdrawal, stated that the land was desired for inclusion within the proposed Picacho State park project on the Colorado River. The Division advised further that the project had received approval of the State Park Commission and that negotiations were in progress which would provide for the transfer of jurisdiction of all Federal lands within the project to the State Park Commission, with such transfer expected to be concluded in the near future.

On September 16, 1957 the Chief of the Division of Beaches and Parks reported that negotiations had not been completed for acquisition of the Federal lands in the area. Because such acquisition may not be completed before the close of the current calendar year the Division is desirous of obtaining an extension of the original withdrawal.

IT IS RECOMMENDED THAT THE COMMISSION EXTEND THE WITHDRAWAL FROM PUBLIC SALE OF LOTS 1, 2, 3 AND 4 AND THE SW $\frac{1}{4}$  OF SW $\frac{1}{4}$  OF SECTION 16, T. 13 S., R. 22 E., S.B.M., CONTAINING 163.72 ACRES IN IMPERIAL COUNTY, UNTIL JUNE 30, 1959 FOR PURCHASE OF SAID LAND BY THE STATE PARK COMMISSION AT THE APPRAISED VALUE, WITHOUT ADVERTISING.
